

## *Super Kids Sunday at the Y*

PHOTO COURTESY OF THE LAKELAND HILLS YMCA

It was a taste of summertime fun at the Lakeland Hills Family YMCA recently when members as young as 1 and their families participated in activities such as "Suds-Sensational" Science and ran inflatable obstacle courses. But high on the list for most families was the introduction of Songs for Seeds (shown here) the only live entertainment class in the area with interactive music, magic, and games for kids aged 1-5 with a parent. Try a free demo class during the Y's Family Open House Week, Feb. 21-26. For details, go to: [www.lakelandhillsymca.com](http://www.lakelandhillsymca.com) or call 973-334-2820.
