SPECIALTY DAY CAMPS THEMATIC

A haven for children ages 3 to 4—**camp apple seeds** engages kids in activities like cooking and dramatic play according to weekly themes such as American Road Trip and Make Believe. Running for 11 weeks, the **Summer Days Camp** at 74th St. MAGIC provides a plush, private rooftop for outdoor play—a boon for Growing In The Garden week. At **Kidville**, we're especially tickled by the Fairy Princess and Superhero Training camps which let storybook heroes and heroines come to life for little ones. And then it's all about the sea and the stars at **Camp Intrepid**, where campers ages 5 to 13 can curate their own exhibits, speak like a swashbuckler and explore the next frontier.
