Take a walk on the wild side with these jungle-themed bashes. Be a party animal at **Art Farm in the City's** farm animal party, complete with a petting zoo, art project, farm-themed place settings, and a t-shirt for birthday child. Roar with excitement at **appleseeds'** Welcome to the Jungle party with free play and guided activities in the sports playground. Go on a Jungle Safari at **Citibabes** in their 1,500 square foot indoor playground. You'll have a personalized safari-themed cake or cupcakes, themed decorations, and, as a special addition, a stop at the petting zoo to the safari ride!
